Atlantic & St. Lawrence Railroad

NOTICE TO TIMBER CONTRACTORS

PROPOSALS will be received at the office of the Atlantic & St. Lawrence Railroad Co., from the 1st to the 20th of November inclusive, at 6 o'clock P. M., for furnishing the timber required for the construction of the Atlantic & St. Lawrence Railroad, from the mouth of the St. Lawrence to the mouth of the Sagadahoc, a distance of about 11 miles, of the following descriptions and dimensions:

The timber is to be sawed, and to consist of Sills of White Pine or Hemlock, of lengths of 32 and 36 feet, or 30 feet. The ties are to be of Oak Plank, 2 1/2 inches thick, 6 inches wide, and 7 feet long. The whole is to be of good sound merchantable timber and plank, free from sappling, knots, and water, and in no case to be less than 10 inches square.

The price to be stated per thousand feet, board measure, for each kind of timber delivered on the line of the road, and where required, in the summer of A. D. 1847.

The timber to be cut off before the 1st of March next. More particular information may be had at the Engineer's office.

Persons offering to contract for the timber or any part thereof, who are unknown to the undersigned or to the Engineer, will be required to accompany their proposals with references as to character and ability, and in all cases where any proposal shall be accepted and a contract entered into, the contractor will be required to give bonds for the faithful completion of his contract according to the terms set out on.

MORE PROOFS!

"The cry is still, they come!"

From East to the remotest West—from Canada on the North to Mexico and the West Indies on the South—all are unanimous in their praise of a medicine so universally known and esteemed as

WRIGHT'S INDIAN VEGETABLE PILLS.

It is hardly necessary to speak in detail. At no time has the reputation of this medicine been higher, and we may say that no reputation is likely to be more enduring. Adopted to all constitutions, to every form of disease, and to all climates, Wright's Indian Vegetable Pills are the only medicine that can be safely and successfully used in all cases where the bowels are constipated, and the system is deranged. It is a safe and reliable medicine, and is the only one that can be safely and successfully used in all cases where the bowels are constipated, and the system is deranged.

At sea or on land, at home or abroad, in summer or winter, it is a safe and reliable medicine, and is the only one that can be safely and successfully used in all cases where the bowels are constipated, and the system is deranged.

As our object is to state to the public the true nature of this medicine, we will state that it is a safe and reliable medicine, and is the only one that can be safely and successfully used in all cases where the bowels are constipated, and the system is deranged.

It is a safe and reliable medicine, and is the only one that can be safely and successfully used in all cases where the bowels are constipated, and the system is deranged.
